

The diagram illustrates four parallel timelines over a 60-second period. The top timeline is a solid black bar from 0 to 60 seconds. The second timeline is a solid black bar from 0 to 30 seconds. The third timeline is composed of red rectangular segments connected by downward-pointing arrows, spanning from 0 to 60 seconds. The fourth timeline is also composed of red rectangular segments connected by downward-pointing arrows, spanning from 30 to 60 seconds.
